

AXSYS 212 PRESET SOUNDS

Fender, Marshall, Vox, Boogie, Soldano, Peavey, Roland, Matchless and other amplifier model designations, and the names of musical artists or groups, and effects, are all trademarks of their respective owners, which are in no way associated or affiliated with Line 6. These marks and names are used solely for the purpose of describing certain amplifier tones produced using Line 6's TubeTone™ modeling technology. The TubeTone modeling technology provides the AxSys™ 212 Digital Guitar System with a wide variety of sounds and effects modeled after some of the most popular sounds of the classic amps, effects, and artists listed below:
